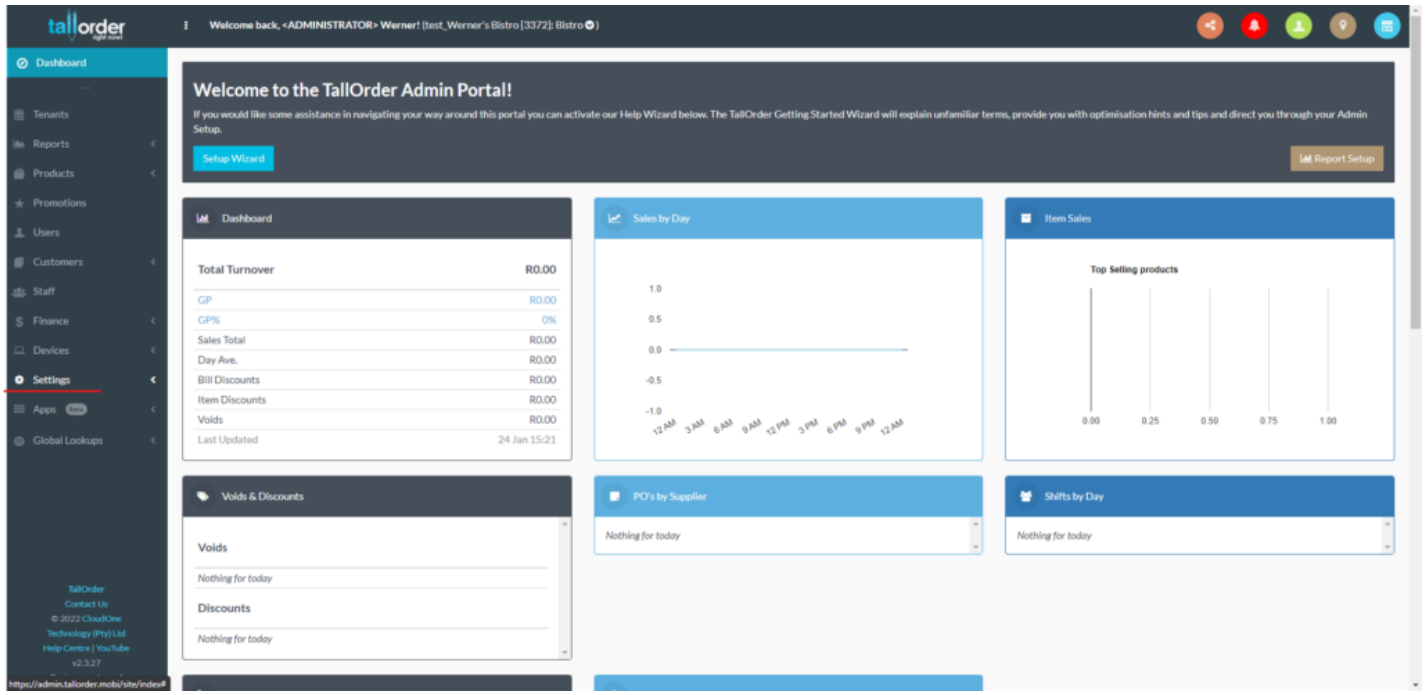
TALLORDER SOLUTIONS

SETTING UP LOCATIONS

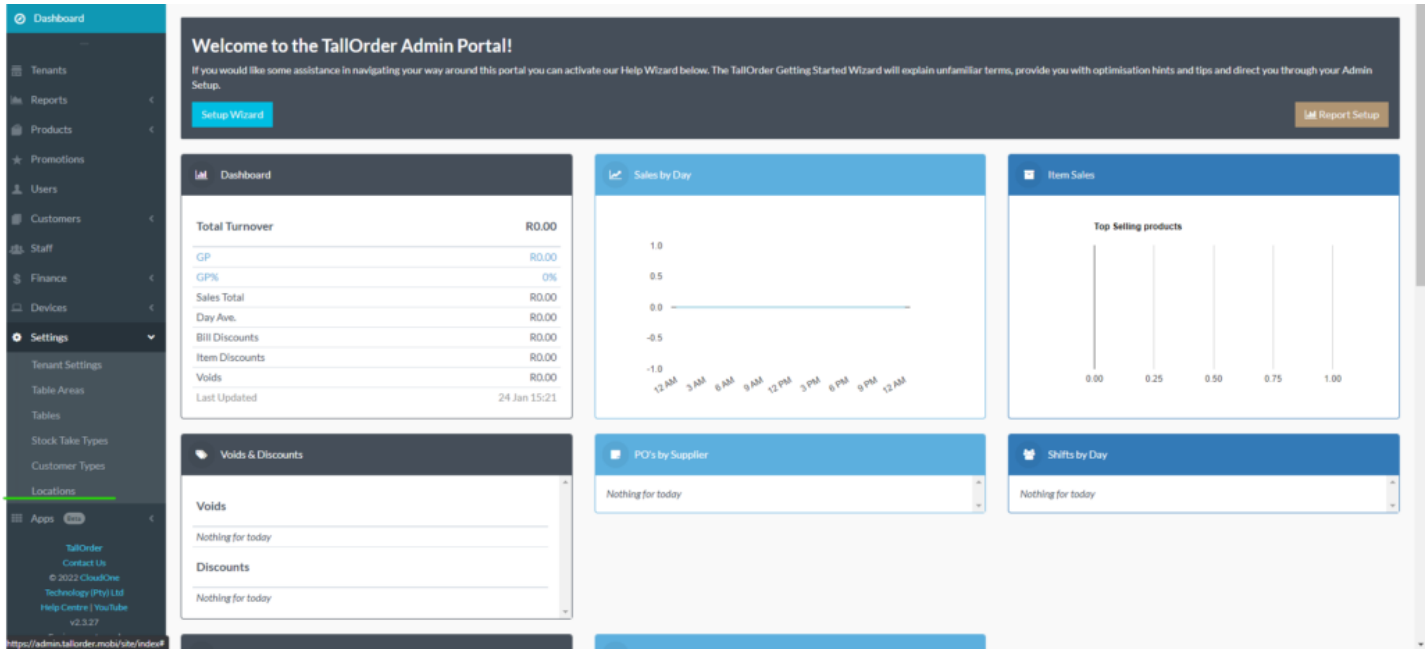
Step 1:

a.) Access the Admin Backend. (https://admin.tallorder.mobi/site/login)

b.) On the left you will see there is an option to click on named "**Settings**" (Marked in **Red**)

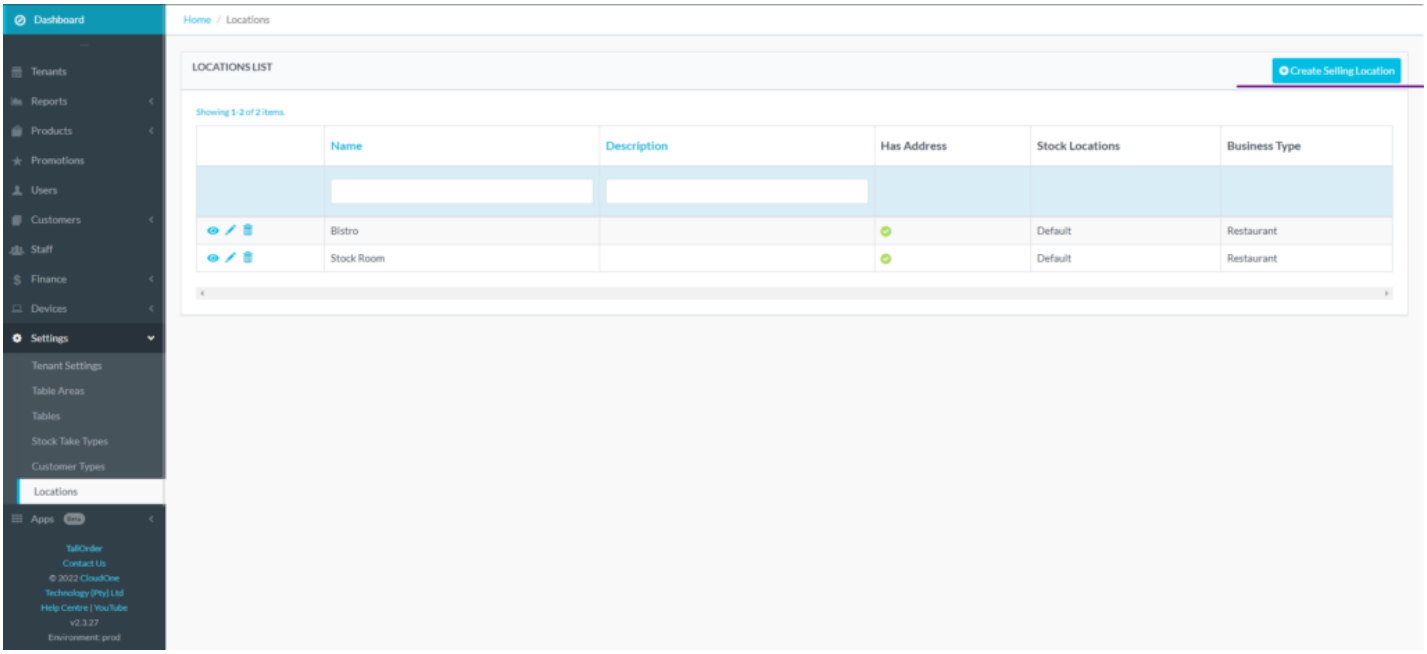


c.) After clicking on "Settings" you will see there is an option to click on called "**Locations**" (Marked in **Green**)



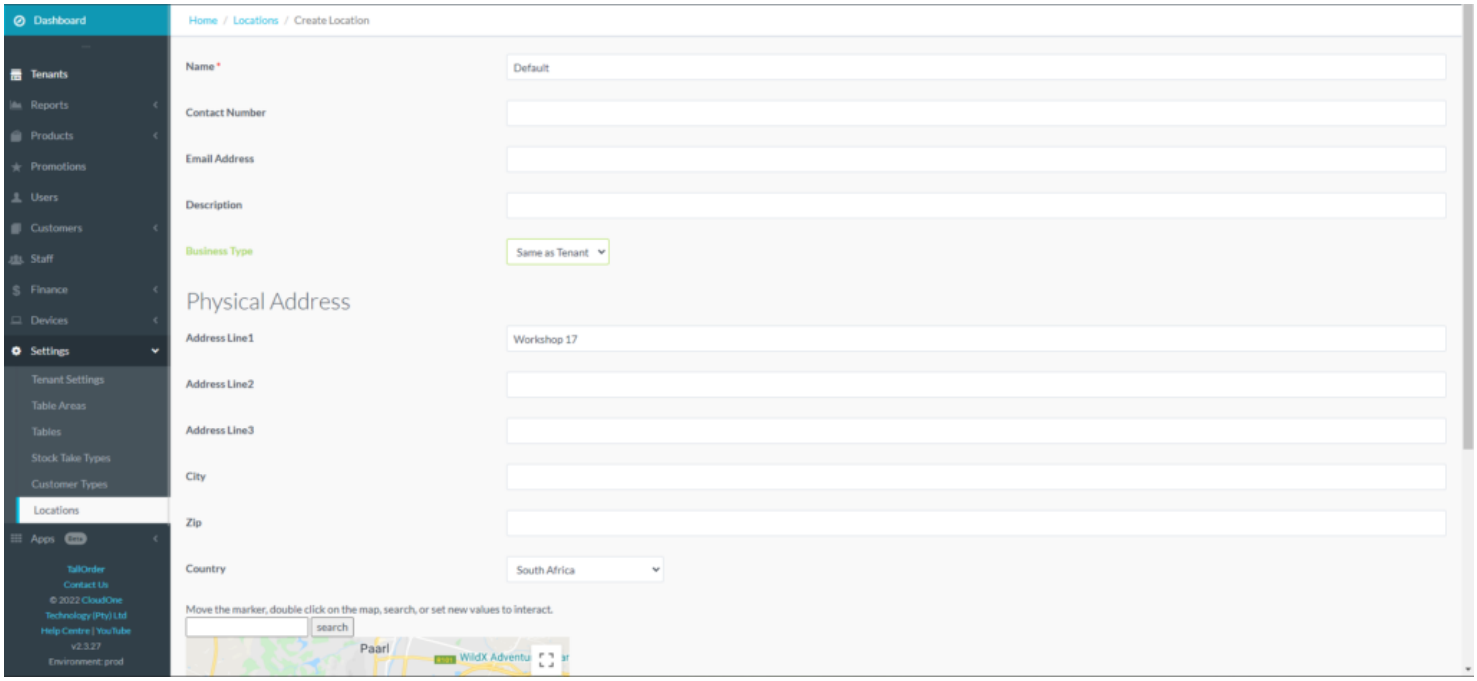
d.) On the top right you will have to click on the button named "**Create Selling Location**" (Marked in **Purple**)

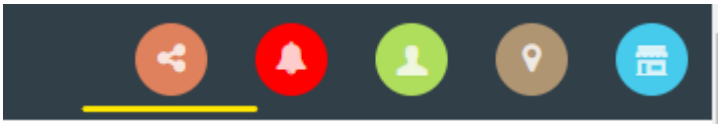
Workshop17 Tabakhuis, Corner of Tabak and Louws Street Paarl, Cape Town, 7646



Step 2:

a.) You will then see the following page. Once populated, you will have to click "Create" at the bottom of the page.





b.) Remember to Publish from the Backend after you have added your location. (Marked in **Yellow**) This will be seen on the top right of the screen. Once you have Published, remember to Click "Update Menu and Setting" under Settings on the TallOrder Point Of device.
