

TallOrder Point of Sale

for Hospitality

Elevate Your Hotel or Lodge Business

What We Do

TallOrder POS, provided by www.tallorderpos.com, is the solution that can revolutionise the way you manage your hotel or lodge business, especially when it comes to managing your restaurant, curio shop, spa, experiences and extras. Our fully integrated point of sale can help enhance your guests' overall experience.

About NightsBridge

NightsBridge is an all-in-one property management solution to help you do better business online. We'll help you to manage your business, increase direct bookings and get connected to more than 250 of Africa's top online booking channels, tour operators and agents.

Our **#HomeGrown solution** includes **#WorldClass features** such as:

- ✓ Point of Sale Integrations
- ✓ Property management app for all your devices
- ✓ Accounting integration to Xero
- ✓ Accommodation website builder
- ✓ Booking Engine for your website and social media channels
- ✓ Free training and support
- ✓ Front Desk Booking System
- ✓ Online payment solutions for guests and agents
- ✓ Guest communication through WhatsApp
- ✓ Channel management – connect to the places where people love to book travel

The Power of TallOrder POS

Simplicity and Versatility

TallOrder is not only powerful but also affordable. With **no long-term contracts**, you can benefit from this versatile solution without committing to extended agreements. Tailored to suit your unique needs, whether you run a small B&B, or a sprawling lodge.

Cloud-Based Convenience

Say goodbye to on-site IT servers and complex installations. TallOrder operates in the cloud, offering you the flexibility to access critical data and insights from anywhere, at any time. **Perfect for today's dynamic business landscape.**

Real-Time Insights

TallOrder provides real-time reporting and analytics, allowing you to make data-driven decisions instantly. Monitor inventory levels, track sales trends, stay informed and **keep your finger on the pulse of your business.**

Easy Inventory Management

Our 'My Stock' add-on simplifies stock management, helping reduce waste, optimise ordering, and ensure products are always available when your guests need them.

24/7 Support

We understand that your business never sleeps, and neither do we. TallOrder is backed by a dedicated support team available 24/7. Whether you have a technical question or need system assistance, **our support team is just a call or click away.**

Our seamless system handles the hard work, **so you can focus on what you do best!**
