

# Smart Digital Signage

## for Agile, Always-On Businesses

**Everything** You Need to Control Your Screens

## TallOrder & PageMan Overview

With so many Digital Signage Solutions available, finding one that fits your business size and brand goals can be overwhelming. **PageMan**, provided by [www.tallorderpos.com](http://www.tallorderpos.com) makes it easy for you to create, manage and display engaging content that connects with your customers.

**PageMan** streamlines business operations by offering...

### Cost Effective Solutions

Affordable fees, efficient bandwidth use, and reduced printing costs keep your signage budget under control.

### Accessibility

Effortlessly manage your displays anytime, anywhere using a simple web-based browser.

### Automatic Updates

Relax while the system automatically handles software updates and maintenance behind the scenes seamlessly.

# Everything You Need

In One Simple Platform

## Cloud-Based

Fully hosted on AWS, delivering secure, reliable performance without requiring servers or manual backups.

## Android Compatible

Works effortlessly across Android devices including displays, tablets, and media players.

## Features

**PageMan's** Standard Edition is ideal for small to medium businesses that are seeking streamlined screen management, while **PageMan's** Professional Edition provides advanced features perfect for growing organisations.
