Why choose TallOrder on FNB?

One platform. Built around your business.

TallOrder combines powerful POS software with FNB's trusted payment infrastructure, giving you everything you need to manage and grow your business—from payments and stock control to kitchen operations and reporting.

More Than Payments.

A platform that grows with your business.

Start with the FNB device you already know and expand to the tools, workflows and insights that help you stay in control.

From independent cafés to multi-location operations, TallOrder adapts as your business evolves.
