

TALLORDER SOLUTIONS

DOING AN ACCOUNT PAYMENT

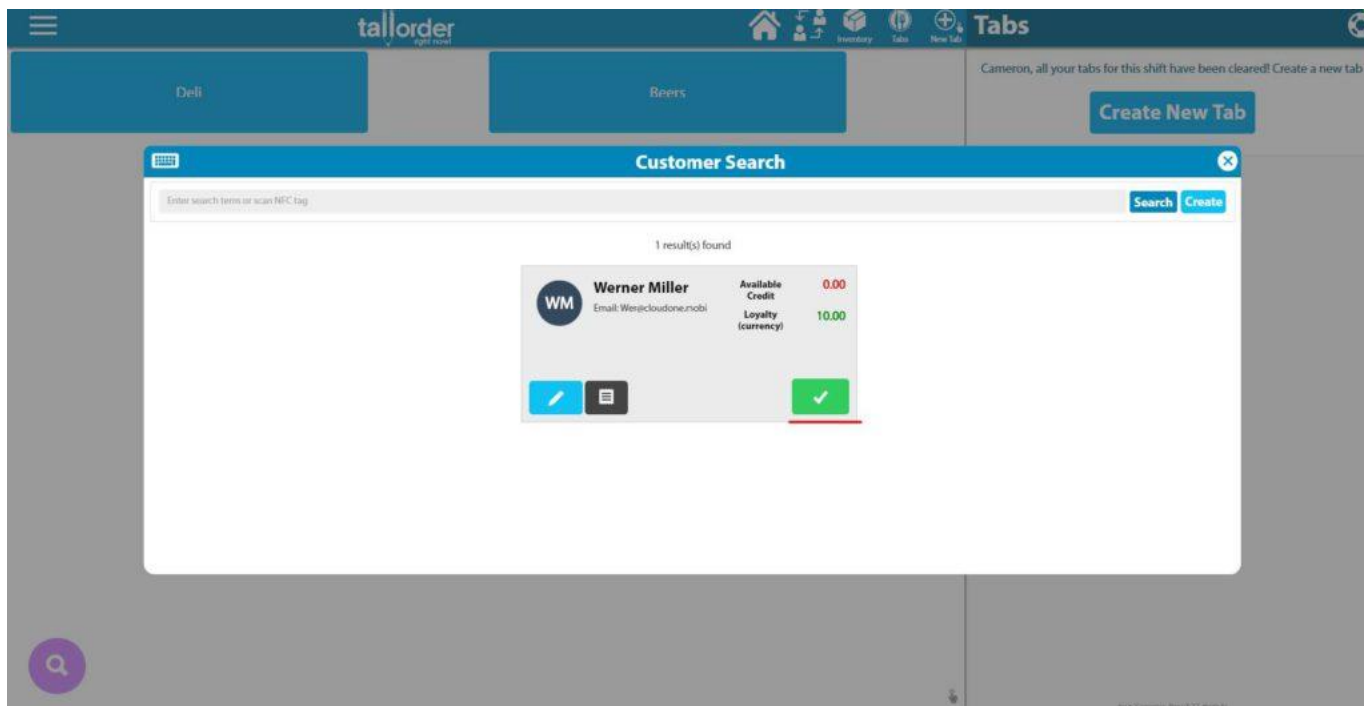

From the POS main menu screen click on the drop down menu (3 stripes in the left-hand corner). Then proceed to click Account Payment option.

Next you can either search for a customer or create a new customer. To search a customer you can either click on the search button or enter the customer's name.

Please click on the green button with the white tick.

From this screen you can do a payment on the account with the appropriate payment method and amount. You can also add credit to account from here as well. You will be asked to provide a managers PIN as well.
